Importance of the internet

I was born and raised in the internet world, I can't even imagine life without it existing. For me, in addition to being essential, the internet is the best way to acquire and make available knowledge, using it to expand your skills is very easy and practical.

Nasci e cresci no mundo da internet, nem consigo imaginar a vida sem ela existir. Para mim, além de essencial, a internet é a melhor forma de adquirir e disponibilizar conhecimento, utilizá-la para expandir suas habilidades é muito fácil e prático.
